The instruments above are not the "cheapest" you can buy but are models we have hand-picked as offering the best value, quality, playability, and longevity. When comparing prices, be certain to compare the MSRP of the instrument, not just the selling price. Some of the value and bargain level brand names represented include: Armstrong, Artley, Bach, Conn, Emerson, King, Jupiter, Ludwig, Musser, Ross, Selmer, and more! Contact the store for exact price and availability on value and bargain instruments. New instrument model availability may vary. Prices may change without notice.
